

Thadomal Shahani Engineering College

Bandra (W.), Mumbai - 400050

Division : C3

Batch : C31

Roll Number : 2003148

Certify that Mr / ~~Miss~~ Priyansh Salian

Of Computers Department, Semester III with

Roll No. 2003148 has completed a course of the necessary

_____ experiments in the subject **OOP-JAVA** under my supervision in the

Thadomal Shahani Engineering College Laboratory in the **year 2021 –**

2022

Head of the Department

Prof. Tanuja Sarode

Teacher In-Charge

Prof. Juhi Janjua

Date-07/12/2021

List of Experiments
S.E. (Comp.) Sem III
Subject: Object Oriented Programming with JAVA (CSL304)

Title of Experiments

Expt No.	Experiment	Date
1	Program on accepting input through keyboard	14/09/21
2	Program on basic programming constructs like looping and branching	27/09/21
3	Program based on Command Line arguments	28/09/21
4	Program on classes and objects	20/10/21
5	Program on 1D Array	25/10/21
6	Program on 2D Array	25/10/21
7	Program on Array of Objects	01/11/21
8	Program on method and construction overloading	08/11/21
9	Program on exceptional handling	18/11/21
10	Program on user defined exception	18/11/21
11	Program on packages	25/11/21
12	Program on Inheritance	08/11/21
13	Program on String	06/12/21
14	Program to create a GUI based application	06/12/21
	Written Assignments/Mini Project	

1	Assignment 1: Write a short note on: a. Features of JAVA b. JVM c. Wrapper Classes d. Life of a thread	07/12/21
2	Assignment 2: Write a short note on: a. Thread synchronization b. Abstract classes c. JDBC Drivers and Architecture d. Life cycle of an applet	07/12/21
3	MINI PROJECT REPORT	07/12/21
